

Change **for** Change!

It makes “cents” to help!

The 2018-2019 Church School is kicking off the school year with a MISSION !

We are collecting change in order to see change in the world!

Send in your change with your Church School student on Sunday where it will be collected and counted.

The proceeds will be used to benefit Dominica Community High School in Dominica, West Indies, which was devastated by Hurricanes Irma and Harvey in the fall of 2017.

Our financial gift will help the school rebuild and obtain furniture, equipment and school supplies for the students.

Our Change for Change collection will run until **Sunday, October 14th** so keep sending in your change

Thank you so much for your support!

“Do all the good you can. By all the means you can. In all the ways you can. In all the places you can. At all the times you can. To all the people you can. As long as ever you can.”

— John Wesley
